

The **NC CORD Distinguished Service Award** recognizes those who have served the organization and the cause of resource development in NC Community Colleges for many years. It is awarded only when a candidate of merit is nominated. The NC CORD Board of Directors makes the award decision.

Nominations are due to the NC CORD President by September 1 to be awarded at the current years conference. To nominate an individual, please email the current NC CORD president your responses to the following:

1. Nominee Achievements: Please detail innovations, accomplishments, and outcomes which the nominee has achieved in his or her work in Institutional Advancement
2. Please document mentoring, networking, team building, advising, and assisting other NC professionals to advance the profession
3. Please document the number of years the nominee has served the NC Community College System in an institutional advancement capacity. If relevant, please also note years of service to NC CORD

If you have any questions or need more information please contact the current NC CORD President, their contact details can be found on the [NC CORD website \(www.nccord.org\)](http://www.nccord.org).
